Crush Eat Drink Love, the newest restaurant and wine bar from **Jenna** and **Michael Morton**, has officially debuted at the **MGM Grand**.

Executive chef **William DeMarco**, formerly of the **Buffet at Wynn Las Vegas** and the Morton's own **La Cave Wine & Food Hideaway** in the same resort, has created a menu featuring suitably small plates for the wine bar setting, but also substantial choices for guests seeking a full evening of robust dining.

As benefiting a chef accustomed to the very vegan-friendly environment of a **Steve Wynn** resort, Demarco has added an entire separate menu dedicated to vegan, vegetarian, dairy or gluten-free dishes.

Crush is open daily starting at 5 p.m., closing at 10 p.m. Sundays through Thursdays and 11:30 p.m. Fridays and Saturdays.
