CRUSH is located on the Strip at the MGM Grand, but don't let that stop you. This is the perfect place for a date. There is the lounge and full bar with comfortable couches for conversation and a seductive dining room with booths for a more intimate experience complimented by small plates for sharing and entrees for larger appetites.

The menu is just as diverse. There is the mixed greens salad wrapped in prosciutto and served with figs, pine nuts and cider vinaigrette. Entrees include lamb sirloin with celery root puree and bacon Brussels sprouts.

Don't forget the desserts and wine list for a perfect evening.
