Nick Jonas & Olivia Culpo Enjoy Sun-Soaked Weekend in Las Vegas, Joe Jonas Celebrates 25th Birthday

August 18, 2014

[Nick Jonas](#) vs. [Joe Jonas](#): Who had the best weekend ever? Between a romantic romp and a milestone birthday, we're going to have to call it a tie.

Sunning and sparring – that pretty much sums up Nick and Olivia Culpo's weekend (but it's not what you may think).

Despite rumors to the contrary, Jonas and his onetime queen of the universe are still as together as ever. The 21-year-old singer and his 2012 Miss Universe girlfriend were spotted in Las Vegas over the weekend celebrating the 25th birthday of Nick's older brother, Joe.

And it was a happy birthday, indeed – at least judging by the photo of Joe receiving a very, uh, special dance from Little Spinner, billed as the world's smallest stripper, and a [Miley Cyrus](#) performer at the ever-lively Beacher's Madhouse show on Friday. They also marked the milestone that night at MGM Grand's Crush restaurant.
